A COMPANY

FOR

POLICYHOLDERS

The North American Life Assurance Company has a Guarantee Fund subscribed of $300,000, of which $60,000 is paid up in cash. . . . Additional security of $300,000, is thus afforded policyholders, ensuring careful and conservative management as the Guarantors are liable for this amount. . . . . The interest allowed on the paid up portion of the Guarantee Fund is limited by the Company's Act of Incorporation, so that only the policyholders participate in the Surplus Funds of the Company. . . . . Every holder of a participating policy in the Company, upon which all premiums due have been paid, has the right to one vote in person, at all general meetings of the Company, for each $1,000 of insurance held by him. . . . . Policyholders are thus given a voice in the management of the Company's affairs. . . . . It is seen that, although the North American Life is neither a Mutual nor a Stock Company, it possesses all the advantages of both.

INSURANCE

Life insurance on modern lines is nothing more or less than a savings bank that yields a dividend to its depositors. And it has this advantage over the savings bank—that in case of death the principal is larger than the savings. All approved and up-to-date policies are issued by **The Toronto Life.**

EXECUTIVE OFFICES—346 and 348 Broadway, New York City, U.S.A.

THE BRADSTREET COMPANY gathers information that reflects the financial condition and the controlling circumstances of every seeker of mercantile credit. Its business may be defined as of the merchants, by the merchants, for the merchants. In procuring, verifying and promulgating information no effort is spared, and no reasonable expense considered too great that the results may justify its claim as an authority on all matters affecting commercial affairs and mercantile credit. Its offices and connections have been steadily extended, and it furnishes information concerning mercantile persons throughout the civilized world.

Subscriptions are based on the service furnished, and are available only by reputable wholesale, jobbing and manufacturing concerns and by responsible and worthy financial, fiduciary and business corporations. Specific terms may be obtained by addressing the company at any of its offices.

INTRODUCTION

The 1906 Toronto City Directory, herewith presented to our patrons, shows that Toronto is still growing rapidly.

The number of individual names in this volume, by actual count, is 110,998, exclusive of firms, corporations, etc., an increase of 4,307 over 1905 issue.

If we multiply the number of individual names, 110,998 by $2\frac{3}{4}$ we find our estimate of the population of Toronto at the end of 1905 to be 305,244.

The number of buildings of all kinds in Toronto, as shown by our Street Directory, is 49,599. Of these there are shown 1,307 vacant houses, being less than 2.65 of the buildings in Toronto. The above 1,307 vacant buildings include buildings in course of erection.

The Births, Marriages and Deaths in Toronto for the past five years, are as follows :

	Births.	Marriages.	Deaths
1901	4,445	2,148	3,438
1902	5,065	2,258	3,234
1903	5,040	2,631	3,730
1904	5,283	2,783	3,882
1905	5,816	3,060	3,915

The increases in different branches of Trade in Toronto are shown by the following tables:

BANKING

The yearly clearings of the banks in the city, as given by Toronto Clearing House, during the past seven years :

1899	$504,872,846
1900	513,696,401
1901	625,228,306
1902	809,078,559
1903	808,748,260
1904	842,097,066
1905	1,047,490,701

The Custom House returns for Toronto have more than doubled during the last eight years.

Year	Duties Collected
1905	$9,524,610
1898	4,533,005
Increase in seven years	$4,991,605

POST OFFICE

The following figures are the Post Office earnings for both Montreal and Toronto, showing that the latter is ahead of the eastern metropolis :—

	Montreal P.O.	Toronto P.O.
1901	$449,981.81	$608,177.46
1902	493,933.23	700,806.70
1903	557,327.53	848,260.42
1904	638,941.31	945,909.60
1905	675,680.78	1,050,913.39

Increase during the last five years Montreal, 50.15%; Toronto, 72.79%.

REAL ESTATE

The following table, giving the actual number of real estate transfers during the last nine years, shows that business in this line is increasing.

	Number of Transfers			
Year	East	West	Land Titles	Total
1897	687	728	....	1415
1898	831	865	...	1696

The City Engineer's annual report for 1904 gives the following :—

The area within the city limits, not including the portion of the city land covered by water, is 17.42 square miles.

There are 265.45 miles of street and $84\frac{1}{4}$ miles of lanes, of wich 189.65 miles are paved and 75.80 miles unpaved.

There are 240.31 miles of sewers and 272.853 miles of water mains, with 3205 hydrants. The average quantity of water pumped in 24 hours during 1904 was 24,799,758 gallons.

The electric street cars run over 90.936 miles of tracks, and more than 305 cars are in use. They carried 60,127,460 passengers in 1904.

In conclusion, we tender our sincere thanks to our patrons for their liberal support and encouragement.

ALBANI SAYS OF THE HEINTZMAN & CO. PIANO
115-117 KING ST. W., Toronto
"The tone of the Heintzman & Co. Piano is delightful, the elasticity of action marvellous, every note ringing out in clear, pearly and limpid quality. It excels any Piano I have ever used."

NEW SCALE GRAND PIANO HAS NO RIVAL
"The Concert Grand Heintzman & Co. Piano used in my Recital in Toronto gave complete satisfaction. I found the tone massive in its sonority and of very excellent quality, with a particularly limpid tone in its mezzo tints."—FRIEDHEIM

WARNING

We wish to warn the public against the fraudulent Directory concerns which have been operating throughout the country for the past few years, collecting thousands of dollars on forged or raised contracts for advertisements in "Directories," "Buyer's Guides," "Trade Lists," or "Gazetteers," that have no circulation whatever beyond the copies carried by the Canvassers.
